## EMPTY BOWLS CHARITY EVENT Volunteer Form

The Clay Connection's Empty Bowls Charity Event has grown to the point that our potters are no longer able to effectively plan an event of this magnitude.

As a result, The Clay Connection welcomes community members, both potters and non-potters alike, to become involved in the planning aspects of this worthwhile event.

To volunteer to serve on the organizing committee or to help during or immediately following the event, please provide the information requested below and snail it to The Clay Connection, Post Office Box 3214, Merrifield, VA 22116-3214 or email it to emptybowls@theclayconnection.org.
